Academic Dishonesty

Cheating and plagiarism will not be tolerated under any circumstances. Any student caught participating in an act of academic dishonesty will receive a zero for that particular assignment, parents will be contacted and the student will be referred to administration.

INOW Note:

This year Liberty will be utilizing INOW codes to help communicate with parents about missed assignments. These codes are "ABS", absent, and "EXC", exempt. We want to make parents aware that it will appear as a zero (0) in INOW if you are accessing the portal on a cellular device. If accessing the INOW portal on a desktop/laptop the code is present.

Technology in Our classroom

Please sign-up for my email distribution list located on my Liberty Faculty website. I will be sending emails once a Unit with tentative dates and activities.

Google Classroom is a web-based platform where resources, assignments, and classroom communication will be conducted. Students will be enrolled into the class page during school, but if possible have your student download the app.

Flipgrid is a web-based program (& app) we will be utilizing for discussions. Students will be provide information in class, but if possible, please download the app.

Remind an text message app I will utilize to send reminders about class. Messages will be sent to students via text. I will limit the number of times I use this method to respect those that pay for text message services. Parents are welcome to join.

Madison City is a Bring your own device school system. It is encouraged for the students to bring their own device, but it is not required. In my classroom the cell phone policy is that all personal cell phones will be put up in the charging station until students are given permission to use it in class. If this expectation is broken, refer to solving classroom policies.es.
