Course Description	<p>This class is for students who have a passion for reading and demonstrate an ability to communicate effectively, in both the spoken and written word. The honors class will continue students' growth in the areas of reading, writing, listening, speaking, discussion, and reflection. Reading strategies, critical thinking skills, vocabulary building, and a continued focus on writing comprise the main elements of reading instruction. The focus for writing instruction will be narrative, informational, and argumentative writing with requirements based on Alabama College and Career Ready standards. The overall goal of the class is to increase the literacy and writing ability of students, and to build the students' reading and writing stamina, which will propel the students' writing to more clear and concise prose. Outside reading and summer reading are required." (p.3)</p>
