

# Guide to Our Tech Tools

Use this list to familiarize yourself with the different tools/platforms we will be using.

It will be updated with new tools as we go. :)

## PADLET

a virtual "wall" where we can post "sticky-notes" and share documents as a class

[Click here](#) to watch a Padlet tutorial for students.

## PEAR DECK

a google slides add-on that creates interactive slides for you to respond to on your device during the presentation

[How to Join a Lesson](#)

[How to Submit Answers](#)

[How to Run Self-Paced Mode](#)

## CONFERENCING APP

a video conferencing system located in schoology; we'll use this for live lessons and group meetings

[Click here](#) to watch the tutorial for students.

## REMIND 101

a classroom messaging software that sends reminders to your phone; you can also use it to message me when needed

Class Codes:

1st Block - @chem2jc-v

2nd Block - @preapjcv

3rd Block - @chem2jc-ip

## SCHOOLGY

this is the system replacing google classroom; all daily assignments will be posted here

[Click here](#) to watch the tutorial for students.

## GOOGLE SLIDES & DOCS

online powerpoint and word documents that we'll often use for activities and assignments; instructions will be provided for each assignment

## EDPUZZLE

a system that embeds checkpoint questions into videos. Visit [edpuzzle.com/join](http://edpuzzle.com/join), sign in with your school google account, and enter your class code:

1st Block: ijusisk

2nd Block - hajkohi

3rd Block - rirenac
