Make sure all absences are excused as work can be made up and graded for excused absences only. If a student is not satisfied with the grade they receive on a studio assignment, they may rework the assignment for a better grade.</p>
Make-up Work:	<p>Under normal circumstances, it is expected that students will submit <u>previously</u> assigned work upon return to school after an excused absence. All work missed on the day(s) of excused absences must be made up within a timeframe determined by the teacher. It is the responsibility of the student to ensure he or she makes up work following excused absences. Students will not receive credit for and will not be allowed to make up any assignments, tests, work, activities, etc., missed during unexcused absences. (DMS 2021-2022 Student Handbook)</p>

	<p>5-10 days late = maximum credit 50%</p> <ul style="list-style-type: none"> • Half credit is always better than no credit! Until work has been made up, "Missing" (which counts as a zero) will be put in the grade book. This will be updated once work is completed and turned in. <p>Incomplete projects turned in on the due date will be graded as incomplete.. If the student is not satisfied with the grade, they may complete the assignment at home and resubmit their work in order to bring the grade up.</p>
