

Secondary Instruction Summer Learning Resources

i-Ready

Middle school students can log in through Clever to access i-Ready, where they receive personalized reading and math lessons tailored to their spring diagnostic results for targeted support.

Typing Agent

Middle school students can log in to Typing Agent through Clever to build typing fluency through structured, skill-based practice activities.

Sora

All MCS students can log in through Clever to access Sora, where they can borrow and read eBooks and audiobooks to support independent reading and academic growth.

CERT

High school students can log in through Clever to access CERT for ACT prep, using their diagnostic results to follow a customized study plan to improve their ACT performance.

Kuder Navigator

All secondary students can log in to Kuder Navigator through Clever for career assessments, exploration tools, and AP/ACT test preparation modules aligned to their goals.

Code.org

All MCS students can log in through Clever to access Code.org, where they can build coding and computer science skills through interactive lessons and self-paced activities.

Summer Reading

Summer reading is required for all Madison City students in grades 6–12. [Click here to view the reading requirements for each class or grade level.](#)

Need Help?

If you need help logging in or navigating any of these programs, Secondary Instructional Technology Specialist Maria Copeland is here to support you.

Please reach out with any questions.
