Course Description	<p>“Sixth grade Language Arts will continue students’ growth in the areas of reading, writing, listening, speaking, discussion, and reflection. Reading strategies, critical thinking skills, vocabulary building, and a continued focus on writing comprise the main elements of reading instruction. The focus for writing instruction will be narrative, informational, and argumentative writing with requirements based on Alabama College and Career Ready standards. The overall goal of the class is to increase the literacy and writing ability of students. Outside reading and summer reading are required.” (p.3)</p>
Course Objectives	<p>Students will develop and strengthen critical thinking skills by reading, comprehending, and engaging with both literary and informational texts. Students will make text-to-text, text-to-world, and text-to-self connections. Students will be able to identify, define, and duplicate examples of figurative language found in texts. They will demonstrate their understanding of the text through various formative and summative assessments.</p> <p>Students will display the convergence of their independent thoughts and textual examples in the writing of paragraphs and essays, as well as develop clear and concise writing skills through the execution of writing assignments and the application of proofreading and editing skills. Students will also improve their writing through the increased understanding and application of grammar, mechanics, and vocabulary skills. Students will be able to respectfully engage critically and constructively in a dialogue of ideas through class discussion, small group assignments, and project-based learning. Students will develop and display clear written and verbal communication skills.</p>
