Please feel free to stop by and ask any questions or to talk about a potential referral for a student! I will be here on Mondays, Wednesdays and Fridays and will be located in the Counseling Suite. I look forward to meeting you!

ABOUT ME

Hello! My name is Emily and I am the Enrichment Center Therapist at Journey Middle School this year! I am excited to be at Journey and to get to know our amazing kids, families and faculty! I am originally from Atlanta and moved to Huntsville a little over a year ago and love it here. I completed my undergraduate degree at Samford University and completed my Master of Social Work degree at Auburn University (War Eagle!). I am passionate about serving our students by being a safe, compassionate adult to walk alongside them in any struggles or challenges they may be facing. Thank you for welcoming me into the JMS family! Go JAGS!

THE ENRICHMENT CENTER

We believe that every student should have access to mental health resources when they need it the most. Our services are offered at no cost to students or their families. School-based therapy allows us to meet the student where they are while eliminating the barriers that many students face. Our approach is student-focused and relationship-driven in order to provide personalized counseling to each student we work with.

OUR MISSION

Our daily mission is to passionately walk with students through seasons of struggle and to equip students with the tools, support, and confidence to create a brighter future.
