youth, who thanked him for delivering him, and the agreed to regard each other as brothers. Soon th of the cave to search for food, but only stones were ly Then, suddenly, he saw a great dragon, who licking a stoke. The vepailatement be long his good and disappeared. He next asked drag low could get a from the cave, and as to say he shald seat himself upon it. So nd ir he winkling of his he wa the state of the deligon had sligoneared we soon until the found a torms of the way of t But they were magic pearls, for i lessem into the lire, the fire ce Ing them into the water, the walk through the midst of pearls of the tortoise-shows pocket. Not long after he reach the flung a pearl into the sea, divided and he could see the second second see the second second second second second see the second se rto se-shell, and have flung one into the is the case, 's said the Gragon, "then come with me and we will live there together.' the youth recognized him for the same dragon soon in the cave And with him was the

The way is clear,
The light is good,
I have no fear,
Nor no one should.
The woods are just trees,
The trees are just wood.
