***BIDDERS ARE REQUESTED TO RETAIN THESE SPECIFICATIONS, CONDITIONS AND INSTRUCTIONS FOR FUTURE REFERENCE.***

**I. GENERAL INFORMATION**

- A. These instructions, conditions, and specifications are in addition to and are part of the instructions and conditions that appear on the printed Madison City Schools' "BID SHEET" form, and shall govern the selections of the items listed.
- B. All bid forms shall be signed and dated by the vendor on the forms provided and then returned to the Madison City Schools Board of Education Purchasing Department. If not signed and dated, it will be considered as non-responsive to the bid request. Three (3) non-responsive bid requests will result in a vendor being removed from the Madison City Schools Board of Education's vendor list.
- C. In the event of extension error(s), the unit price will prevail and the bidder's total offer will be corrected accordingly. In the event of addition error(s), the bidder's total will be corrected accordingly. Bidders must check their proposals for any such errors and state the discount(s) in the proposal where applicable. Failure to do so will be at the bidder's risk.
- D. If installed by the vendor, the vendor is responsible for the prompt removal of all debris resulting from this bid.
- E. The Madison City Schools may not award on the basis of low bid only. Quality, conformity with specifications, purpose for which required, terms of delivery, terms of payment, transportation, dates of delivery, past service, and experience are among the factors that may be considered in determining the responsive/responsible bidder.

- F. In the event the low bidder(s) refuses to accept the entire requirements without deviation, their bid will then be considered non-responsive and their bid bond/check will be forfeited to the Madison City Schools. After refusal by the first bidder, the bid may be awarded to the next lowest bidder.
- G. Specifications are written as if in full detail. Use of specific names and numbers is not intended to restrict the bidding of any seller and/or manufacturer, but is solely for the purpose of indicating the type, size, and quality of materials, products, service or equipment consideration best adapted to the Board's intended use.
- H. Vendors shall bid on all items within the specified group/category. It is the intent of the Madison City Schools to award the bid by groupings/categories or as a total package bid award, however, the Board reserves the right to award the bid in any manner, which will best serve the interest of the Madison City Schools.
- I. The successful bidder shall guarantee all material and labor for a period of not less than **One (1) Year** against defects of material or workmanship. The guarantee shall be dated from the time of acceptance. The successful bidder shall replace any material proved to be defective (except when it is clearly shown that the defects are caused by misuse and not by the manufacturer) immediately upon notification. Additional warranty considerations may be a factor in the bid award.
- J. The Madison City Schools is tax exempt from all tax (Tax I.D. 63-1192346). This statement is in no way to be construed as relieving the seller or contractor from their tax obligation.
- K. Bids delivered in Federal Express, UPS, or any other such deliverer's envelope shall be sealed in a separate envelope inside the deliverer's packaging. The bid name, number and bid opening date shall be written on the outside of deliverer's envelope. Failure to do this may cause the bid to be inadvertently opened and thus rejected.
- L. The Madison City Board of Education does not discriminate on the basis of race, color, national origin, sex, disability, religion, or age in its programs and activities, and provides equal access to the Boy Scouts and other designated youth groups. The following person(s) have been designated to handle inquiries regarding non-discrimination policies:

**VII. BACK ORDERS**

- A. Items temporarily out of stock shall be a minimum. When this occurs, the Procurement Director or designated representative may determine the method used to obtain such items. Alternative procurement methods will only be utilized for temporary shortages.

**VIII. CANCELLATION**

- A. No item in the bid is to be canceled without the prior consent of the Madison City Board of Education.

**IX. DEFAULT**

- A. If at any time the vendor makes a delivery that is not in accordance with the instructions, conditions, and specifications set forth by the Madison City Schools, without the consent of said Madison City Schools, such delivery shall constitute grounds for the cancellation of the contract and/or removal of this vendor from the Madison City Schools' mailing list, for not less than one (1) year.

The responsible bidder shall indemnify and hold harmless the Madison City Schools, its officers and employees from all loss, claims, suits or actions of every kind and character made upon or brought against the Madison City Board of Education, its officers and employees for or sustained by any party or parties as a result of any act, error omission or negligence of said responsible bidder or its servants, agents and subcontractors; and also from all claims of damage in fulfilling this contract.

**XI. SPECIAL REQUIREMENTS**

- A. Madison City Schools reserves the right to purchase any items inadvertently omitted, from the vendor who is awarded a particular category.

- H. **The Madison City Schools has the option in place to make payments via Purchasing Card instead of a check for purchases from this solicitation. This form of payment significantly reduces payment time to three to five days once services are rendered and the invoice is submitted. ## **XII. MANUFACTURER'S NAME AND SUBSTITUTIONS**

- A. Any bidder wishing to supply alternate equipment other than that specified shall submit a request for substitution to the Madison City Schools at the Pre-Bid Conference or at least ten (10) days prior to the BID OPENING DATE if a Pre-Bid Conference is not scheduled.
- B. If any of the above changes would be involved, a layout of such changes and any additional cost (itemized) must be submitted with the request for substitution. If proposed substitutions entail additional cost which was not submitted with the request for substitution and approval is granted, bidders shall be responsible for such costs.
- C. In addition, a request for substitution must be accompanied by the manufacturer's specifications and a "Substitution Request Form" which provides the Madison City Schools with a detailed description of the manner in which proposed substitution conforms and/or varies from the item specified. No request for substitution will be considered without an accompanying "Substitution Request Form".
- D. It is understood by the Madison City Schools that no agent, dealer, broker or agency may bind a manufacturer beyond the manufacturer's own printed literature. Therefore, any party submitting a Substitution Request Form stating compliance with a feature specified for the prime specified item or as an option for that item in the manufacturer's literature, may be accompanied by a letter on the

Manufacturer's own letterhead stating that the manufacturer shall comply with the specified feature and such compliance shall not adversely affect the manufacturer's product performance, reliability, durability, appearance or affect the warranty.

- E. If the substituted item is approved and subsequently installed and upon final inspection found to deviate from the specifications in a manner not detailed in the "Substitution Request Form", the Contractor shall, at the discretion of the School Board, bring the equipment into compliance with the specifications at his own cost. In consideration of the job stage at the time of final inspection, the Contractor shall take no more than 5 working days to make this replacement. Bidders are encouraged to review the replacement. Bidders are encouraged to review the "Substitution Request Form" prior to using such items in their bid. Awarded Contractor shall be responsible for deviations not detailed in the "Substitution Request Form" submitted FROM ANY SOURCE. Approval of submittals by the Madison City Schools does not relieve the Contractor of this condition. The "Substitution Request Form" can be found at the end of this document.
- I. No request for substitution will be considered after the Pre-Bid Conference or after 10 days prior to the BID OPENING DATE if a Pre-Bid Conference is not scheduled, except in instances where the item is no longer available. The Madison City Schools Procurement Director or designated representative will approve exceptions when availability of product is in question.

## Notice of Alabama Immigration Law Compliance Requirements to all Contractors of LOCAL BOARD OF EDUCATION

As a Contractor, as defined in the Act, to the LOCAL BOARD OF EDUCATION ("Board"), it is critical to your relationship (future or continuing) with the Board that you comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Accordingly, please provide your Affidavit of Immigration Compliance with attached E-Verify Memorandum of Understanding, as requested in the attached memorandum. If you do not believe these obligations apply to you, please notify the Board immediately.

Alabama laws require that, as a condition for the award of a contract by a school board to a business entity or employer with one or more employees working in Alabama, the business entity or employer must provide documentation of enrollment in the E-Verify program. During the performance of the contract, the business entity or employer shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. **The contractor's E-Verify Memorandum of Understanding must be included with the bid.** If you do not believe these requirements are applicable to your entity, include an explanation justifying such exemption. **If your company is not an Alabama based company or does not have employees that work in the State of Alabama, you must include in your bid package submittal, a memo on company letterhead stating this fact.** An entity can obtain the E-Verify Memorandum of Understanding upon completion in the E-Verify enrollment process located at the federal web site [www.uscis.gov/everify](http://www.uscis.gov/everify). The Alabama Department of Homeland Security (<http://immigration.alabama.gov>) has also established an E-Verify employer agent account for any business entity or employer with 25 or fewer employees that will provide a participating business entity or employer with the required documentation of enrollment in the E-Verify program. An Employer Identification Number (EIN), also known as a Federal Tax Identification Number, is required to enroll in E-Verify or to establish an E-Verify employer agent account.

*"By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the state of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom."*

The amended law also changed the definition of SUBCONTRACTOR to "A person, business entity, or employer who is awarded a portion of an existing contract by a contractor, regardless of its tier." Another provision states, "Furthermore, during the performance of the contract, the subcontractor shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. This subsection shall only apply to subcontractors performing work on a project subject to the provisions of this section and not to collateral persons or business entities hired by the subcontractor."

**Return E-Verify documentation with bid submittal**

## **Instructions for Certification**

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participant in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause title “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

# Payment/Procedure Terms

As part of an ongoing effort to streamline our purchasing process and improve the timeliness of payments to you, The Madison City Board of Education would like to invite you to participate in one of two of our new electronic payment programs:

## **Virtual credit card payments**

You will submit your invoices in the usual manner. Once approved, a payment notification will be routed to you immediately by email. This email contains remittance information and outlines each invoice number(s), the total amount being paid, and the card information to process the transaction through your existing card acceptance process. The funds will be loaded onto a zero balance card that is exclusive for The Madison City Board of Education.

If you choose to enroll in this process, please complete the “Virtual credit card payment enrollment form” and include with your sealed bid packet. If you are the winning vendor, you will then be contacted by our enrollment partner, FEDAC Processing Company, to answer any questions you may have and to further explain the process if necessary. If you have any questions or need assistance, you can call FEDAC toll-free, at 1-888-621-3585, to speak directly with a representative.

If this process is not compatible with your current resources, FEDAC can present an alternative method where all approved transactions are processed on your behalf and the funds are deposited directly into your checking account. This process is referred to as Deposit-Pay and only applies to transactions between The Madison City Board of Education and your company.

Benefits to your company include:

- Invoices are paid weekly as soon as they are processed.
- Accelerating the receipt of cash, as funds are typically deposited within 48 hours of the payment transaction.
- Eliminating check processing and collection costs associated with lost or misplaced checks.
- Reducing exposure to check fraud and credit card fraud because the card is at a zero balance until the Madison City Board of Education funds it.
- Going green-paperless, electronic payments are more secure, save money and also help conserve the environment by eliminating printing and mailing paper checks.

If you have any questions regarding Virtual credit card payments, please contact Tammy Simms at [tsimms@madisoncity.k12.al.us](mailto:tsimms@madisoncity.k12.al.us) or 256-464-8370.

## **ACH Payments**

In lieu of receiving a check for goods and/or services provided to The Madison City Board of Education, your company's payment will be sent via electronic transfer and automatically credited to your account at your financial institution. You would still invoice us as usual; however, once the invoice(s) is approved and processed for payment, an electronic remittance advice would be emailed to your company and your bank account would be credited.

If you choose to enroll in this process, please complete the "ACH payment enrollment form" and include with your sealed bid packet.

Benefits to your company include:

- ACH offers cost savings to the vendors and to The Madison City Board of Education.
- Funds are credited and available to the recipient without the need for making manual deposits.
- Increases payment security.
- Eliminates the 2 to 3 day mail time.

If you have any questions regarding ACH payments, please contact Tammy Simms at [tsimms@madisoncity.k12.al.us](mailto:tsimms@madisoncity.k12.al.us) or 256-464-8370.
