About The Chorus

This group is comprised of 5th grade students from all seven elementary schools in our Madison City School system; Columbia, Heritage, Horizon, Madison, Midtown, Mill Creek and Rainbow. Students were required to

audition online for admittance into the chorus. We met once per week for rehearsals and have performed at several venues this year including the Liberty Legacy Presentation and Bridge Street Town Centre. We directors are very proud of the students' progress and achievements.

Choral Directors

Mrs. Audra Loftin (Columbia/Madison)

Mrs. Cherilyn Pryor (Horizon/Rainbow)

Mrs. Traci Stewart (Mill Creek)

Mrs. Kristina Stundtner (Midtown/Heritage)

Special Thanks

We want to thank the parents of these talented young students. We know it is no small sacrifice to drive them to rehearsals and performances. We are appreciative of your support for the arts in our school system. Thank you to Madison City Central Office and Mrs. Mims for making the honor chorus possible. Thank you to Horizon Elementary School for allowing us to practice and hold our final concert on their campus.
