March Challenge:

For the month of March please eat meals as a family. During this time, there should be no phones, TV, or technology. The focus should be on conversation skills.

Reading: Wonders Unit 7 Week 2

Phonological Awareness Skill: Deleting a sound in a word to make a new word; examples: task becomes ask, farm becomes far

Phonics: Identifying the letter Gg and Ww; applying the /g/ and /w/ sounds in spoken words

Sight Word: they, of

Vocabulary Words: responsibility, train, compared, social, depend

Comprehension: Making predictions and finding the problem and solution in a story

Math:

This week we will review the math standards taught during the 3rd Nine Weeks: counting by 10s to 100, counting on from any given number, addition and subtraction word problems, addition facts, subtraction facts, teen numbers, and place value of teen numbers.

Thank you for your continued support with counting and practicing math facts at home.

Important Information

The 3rd Nine Weeks grading period will end Friday, March 10th. We will continue assessing this week to determine mastery of standards. If you know your child will be absent anytime between March 6-10, please let me know so I can be sure to adjust my assessment plan.
