Math:

We will spend class time practicing addition facts, subtraction facts, and word problems. We will also continue to practice using: positional words (above, below, in front of, behind, beside), comparing 2D shapes (circle, triangle, square, rectangle, and hexagon), and 3D shapes (sphere, cone, cube, cylinder).

Please decide what to work on at home with your child based on your child's Progress Report.

Important Information

We will be taking our DIBELS benchmark tests on May 8th & 9th. We have also been assessing for the 4th 9 weeks Report Cards. This is one reason why this month's challenge is so important. The students' behavior and focus is improved with a good night's rest. Please ensure your child also gets a healthy breakfast to start their day for these assessments.
