Important Information

At Parent Night, we shared an ambitious goal to know all of our uppercase and lowercase letters by the end of Letter Experts. If your child does not know their letters (uppercase, lowercase, out of order), please spend time working on letter identification at home. You can do this with flashcards, alphabet puzzles, books, the Letter Blocks on www.starfall.com, and by watching Leap Frog's The Letter Factory. Daily practice with letters will help your child be confident and automatic with letter recognition.

*Each month, the Kindergarten students will have a challenge. If your child successfully completes the challenge all month, you will send a note in the Daily folder letting your child's teacher know. Your child will earn Good Time Tickets or a small prize.
