### Reading: Wonders Unit 3 Week 3

Phonological Awareness Skill: Identifying the beginning sound in words

Phonics: identifying the letter Cc; producing and applying the /c/ sound

Sight Word: his, how

Vocabulary Words: intelligent, local, neighborhood, routine, volunteer

Comprehension: visualization; identifying story elements- character, setting, and events

### Math: Three-Step Sort

The students will learn how to do a 3-step sort:

- 1) sort by one attribute, such as color, shape, or size
- 2) count how many are in each group.
- 3) sort by amount.

We will use the M&Ms for our introduction lesson on sorting. Thanks for sending them to school!

### Important Information

The 2nd Nine Weeks assessments were completed the week of November 8-12. There are many skills assessed during the 2nd Nine Weeks. The Progress Report will come home in the Report of Learning Folders on Tuesday, November 16th. Please keep all documents inside the folder, sign the Progress Report to indicate you have seen and read the information and return by Thursday, November 18th. Please take notes from the Teacher Comment boxes so you know which standards to work on at home with your child. Thank you!
