Numerals 6 through 10.

The Leader in Me

Habit 1: Be Proactive - This week we will be learning what it means to stop and think before responding. This means to pause, think and choose a proactive response. Ask your child, "How can you use kind words to respond to others?"

Important Information

At Parent Night, we shared an ambitious goal to know all of our uppercase and lowercase letters by the end of Letter Experts. That time is here. If your child does not confidently know their letters (uppercase, lowercase, out of order), please spend time working on letter identification at home. You can do this with flashcards, alphabet puzzles/books, the Letter Blocks on www.starfall.com, and the Letter School app. Daily practice with letters will help your child be confident and automatic with letter identification.

Our only fundraiser of the year is happening now through September 13th. Please support our school. Thank you!
