### Math:

#### Big Ideas Chapter 12

This week we will wrap up our instruction on 2D and 3D shapes. We will review all of our 2D shapes: circle, square, triangle, rectangle, hexagon. We will also review our 3D shapes: sphere, cube, cone, cylinder. We will practice comparing and differentiating between 2D and 3D shapes.

### Important Information

The Report of Learning Folders will be coming home Wednesday, April 24th. Progress Reports will need to be signed and returned to school by Friday, April 26th. Take time to read through the Progress Reports, especially the Teacher Comment box labeled as the 4th Nine Weeks. Please work with your child on the areas that have not been mastered yet. Let's work together to help your child master the standards.
