

# COMMUNITY HELPERS

Dear Families,

As a part of our study of community helpers, we are learning about our parents' jobs. Whether you work at home or outside of the home, please take a moment to describe your job. Then, the most important part is for you to attach a photo of yourself in your workplace. (If cameras are not allowed at your workplace, please take a picture of you pretending.) Please fill out one form for each parent. We appreciate your efforts!
