Habit 5: Seek First to Understand, Then to Be Understood-

This week our class will be learning what it means to understand to listen with our ears, eyes, and heart. Ask your child, "How does it make us feel when we listen to other?"

Important Information

Thank you in advance for the time you put into working with your child on each of the standards that I wrote about specific to your child on the progress report. Giving a few minutes daily will make a world of difference with Fry Sight Words, reading CVC words, reading emergent text and writing CVC words. You won't regret the time spent supporting your child's learning.
