

# Kindergarten Weekly Newsletter

## Week of January 4-6, 2023

### Upcoming Events

- 1/4: Students Return
- 1/4: Send a note if your child successfully completed the December Challenge.
- 1/6: 2nd Nine Weeks Report Card goes home
- 1/9: Return Report of Learning Folder with signed report card.
- 1/16: No School- Martin Luther King Holiday

### January Challenge:

Limit technology and spend more time playing board games or reading to your child.

### Reading:

This week, we will

- review letters/sounds taught during 1st semester
- blend sounds to read words.
- review the 21 sight words that we learned in 1st semester.
- use phoneme segmentation to write CVC words.
- write sentences with the first letter uppercase and the rest lowercase, put a space between words, and end our sentence with punctuation.

### Math:

#### Big Ideas Chapter 7

Students will:

- Subtract a group of objects and tell how many are left.
- Tell what a minus sign means.
- Explain a subtraction sentence.
- Take apart a group of objects to tell the partner numbers.

### Important Information

The 3rd Nine Weeks of school is a crucial time for learning our Kindergarten Power Standards. It is important for your child to be at school well rested and ready to learn. During 3rd Nine Weeks, there is an increased amount of application of skills learned during first semester. I want to stress to you the importance of this time of the school year. We've grown so much since August and I look forward to the growth I expect to see through May.
