Important Information

We have enjoyed our study of American Symbols. We focused on the U.S. flag, the bald eagle, and the Statue of Liberty. Each day we read informational texts and listened to learn facts that we did not already know about these symbols. Then, the students selected two facts to write about in their books. Cuddle up and listen to your child read the American Symbols book to you. I am sure this book is something you will treasure as a Kindergarten keepsake.
