

More Information about Valentines

These are examples of Valentine's that you can purchase in a box to exchange with classmates. You can find similar boxes of Valentine's cards at Target, Walmart, Dollar General, Dollar Tree, Amazon, or a grocery store. Most boxes of Valentine's cards range in price from \$2 - \$5.

Each year, we receive questions about sending in candy to hand out along with the Valentine's cards. Yes, the kids are allowed to have something to give in addition to the cards. I know Target and Walmart sell packages of Valentine's candy/snacks for kids to exchange at school. **This is not required.** If you do decide to have something else for your child to pass out, you will need to send it in a gallon sized Ziploc bag on February 13th.

These are examples:
