Reading: Wonders Unit 4 Week 1

Phonological awareness skill: identifying the beginning sound in words

Phonics: identifying the letter Oo; producing and applying the short /o/ sound as in the word hot.

Sight words: from, you

Vocabulary Words: equipment, uniform, expect, remained, utensils

Comprehension: ask and answer questions; key details

Math

Rote Counting: 1-50

We will continue joining parts to make a whole. We will continue to express addition by using a plus sign.

We will learn to decompose numbers in different ways (2+3=5 and 3+2=5, no matter the arrangement)

The Leader in Me

Habit 4– Think Win– Win : This week our class will be learning about effective conflict resolution. This means life isn't just about me, or just about you– its about both of us. Ask your child, “What does it mean to Think Win– Win?”

Important Information

When progress reports come home on Wednesday, please take time to read it carefully. Make notes about the skills that your child needs to work on with you at home. You can also snap a picture of the progress report. One of these will ensure that you remember and can refer back to our report about your child's progress.

We eat snack EVERY school day. It is very important that your child have a snack. If you have a financial hardship and cannot provide a snack for your child, simply contact me and I will inform the counselor of your need. We have a snack pantry for this purpose. Up until this point, we had a separate snack box for those who simply forgot their snack at home, however those snacks are all gone now.
