- Use vocabulary words: greater than, less than, or equal to compare objects and numbers
- Use picture graphs and venn diagrams to classify and compare objects

Important Information

Our first Practice Sheet will be in blue Daily folders on Monday. These sheets provide your child the opportunity to practice the skills we're learning in the classroom. Please do the activities throughout the week. Please don't do it all at once - a little practice each day will benefit your child. Send the completed Practice Sheet back to school in the blue Daily folder the following Monday. Please have your child use a pencil when writing.
