Math

Rote Counting: 1-30

We will be comparing and ordering numbers 0-10. The students will learn to use the vocabulary words more and fewer when comparing.

The Leader in Me

Habit 1: Be Proactive - This week we will be learning about the leadership concept "Circle of Control." This means we cannot worry about things that we cannot control. For example, the time that school starts. Ask your child, "What is within your Circle of Control?"

Important Information

We are looking at holding conferences sometime the week of October 21st. We understand that sometimes schedules are complicated or you may feel that you do not need a conference at this time. Please know, regardless if we meet or not, a conference form with updated data will be sent home during the week that we hold conferences. Our first step will be to send a Google Form to see who is wishing to meet to discuss your child's progress. We will need **one** parent from each family to respond to the Google Form. Once each teacher hears from each family, they will set up a schedule and send it out on Sign Up Genius. No worries either way! We are always happy to hear from you.
