

Dear Parents,

I will begin assessing our high frequency words for the 2nd Nine Weeks Report Card on Tuesday, December 12th. In order to be counted as a word read, your child must read the word automatically -- within 3 seconds without blending.

These are the 44 words that will be taught by the end of 1st semester:

to	we	play	with	see
for	was	like	find	have
you	brown	who	no	what
I	four	go	they	so
three	yellow	want	help	come
said	are	saw	jump	be
he	little	she	black	me
will	went	one	the	look
where	two	a	blue	

Thank you for your support at home!
