Math: Big Ideas Chapter 6

Students will complete addition sentences.

Students will use a ten frame to add on to five.

Students will write an addition sentence.

Students will show partner numbers to make ten.

Students will solve addition word problems.

Important Information

Please spend time working with your child on letter naming, phoneme segmentation, reading CVC words, and the Fry sight words each day. The weekly practice sheets are a wonderful resource for you to use with your child. When reading skills are practiced daily your child will become a better reader. We work on all of these skills daily in class and appreciate your additional support at home to help your child.
