

## Panther Racing

### Memorandum of Understanding

#### **Safety Regulations**

- Any student who drives the car in practice or on race day MUST have the waiver form signed BEFORE driving.
- Unsafe actions are reasons for immediate dismissal from the team.
- Every member of the pit crew MUST have a parent/guardian present for the entirety of race day.

#### **Students**

- I understand that not everyone will get to drive and those decisions are made by my coach.
- I understand that I should inform my coach when I can't make it to practice.
- I understand that I am expected to assist in fundraising.
- I understand that I am expected to assist in creating presentations for race day competitions.

#### **Parents**

- I understand that a club fee will be charged of \$50. These fees will be applied to car replacement parts.
- I understand uniforms will be ordered separately from the fee. The prices for uniforms will be done on a competitive basis to ensure that costs are not ran up.
- I will do my best to pick up my child at the assigned times.

#### **Season Details**

- The season includes races and practices in the Spring and Fall.
- The practice schedule can vary from week to week. Occasionally we may practice on Saturday.
