### LMS Covid-19 Fall Athletic Procedures

### Transportation

- All athletes will go through Covid-19 Screening before getting on the bus to travel. Athletes that do not pass the screening will not be allowed to travel. We also ask that schools go through the same procedure when coming to play at LMS. *\*See LMS Covid-19 Roster Form*
- Masks will be worn by all parties on the bus.
- Windows and roof hatches will remain open on buses to allow better circulation if the weather permits.
- A seating chart for each bus will be established and 1 certified coach/teacher will ride on each bus. That seating chart will remain the same for the entire season. This will allow us to accurately contact trace athletes in the event of Covid-19 exposure. *\*See LMS Athletics School Bus Seating Chart.*
- Buses should be sanitized before arriving to pick up athletes, after athletes go to play the game, and after dropping them back off on campus.
- If athletes do not feel comfortable riding the bus, they have the option to travel to the game with **their** parent/guardian. However, they must arrive at LMS at the same time as departure of the bus so they can go through the Covid-19 screening. The coach must have confirmation 3 days prior to competition of athlete's method of transportation to and from athletic venue. This allows our athletic staff to estimate how buses are needed for the game. **No Carpooling is allowed!** If a student needs to carpool, they must ride the bus, no exceptions.
