- Your child will use partner numbers to make and take apart the numbers 6 and 7.
- Your child will name the parts and the whole.
- Your child will use a number bond to show the parts and the whole.

Important Information

Next week, we will begin our science unit on Balls and Ramps. To kick off this exciting unit of study, each student is encouraged to bring their favorite ball to school Monday, October 24th. We will be playing with our balls sometime during the week. We will share our favorite ball with our classmates and explore their similarities and differences! Please label your ball with their name and send it to school inside their backpack on Monday morning.

*****Balls must be able to fit inside your child's backpack.*****
