

Dear Parents,

I will begin assessing Fry sight words for the 2nd Nine Weeks Report Card on Tuesday, December 13th. In order to be counted as a word read, your child must read the word automatically -- within 3 seconds without blending. This is the breakdown for the 2nd Nine Weeks Report Card:

4 = Your child can read all 50 Fry sight words automatically and accurately without hesitation

3 = Your child can read 20-37 of the Fry sight words automatically and accurately.

2 = Your child can read 10-19 of the Fry sight words automatically and accurately.

1 = Your child can read fewer than 10 of the Fry sight words

These are the 21 words that will be taught by the end of 1st semester:

the	I	how
a	at	do
and	be	his
to	from	can
you	or	as
that	one	on
it	we	had

Thank you for your support at home!
