Math:

Big Ideas Chapter 10

The students will:

- count by ones and tens using a hundreds chart.
- tell a missing number.
- count on from a given number by ones.

Important Information

We go outside for recess as long as the “feels like” temperature is above 32 degrees.

Please pay attention to the weather and send an appropriate jacket. Keep working with your child on zipping his/her jacket until it is mastered. Many of them have it down pat now which is very helpful as we transition to and from recess. If you send gloves, hats, or scarfs we keep those items in pockets or sleeves while the jackets are zipped to their chairs in the classroom. This makes our transition to recess easier than everyone going to the closet to dig for those extra items. Thank you!
