Important Information

As the weather starts to get cooler, please remember we will go outside daily unless it is raining or the wind chill is below 32. Please send your child a jacket/coat to wear when playing outside. Please label jackets with your child's name. Please allow your child time to practice putting their jacket on and zipping it multiple times. Each child should be able to put their jacket on and zip it **independently**. Thank you for helping your child learn this life skill!
