- **When choosing ALL courses, please read the course descriptions with prerequisite courses listed. Students are removed from all courses where the prerequisites are not fulfilled.**
- **All course requests must be entered online through PowerSchool. Please visit the James Clemens High School website under “Registration” for directions.**
- **If you are taking any virtual classes, you must register in PowerSchool for the specific virtual course AND the block in which you want to be virtual (see course codes under "Virtual"). If you are taking a virtual course in addition to 4 face-to-face classes, you would register for the 5th block virtual class. Students cannot be on campus during their virtual block(s). Please indicate on the form above if any courses will be taken virtually.**
- **Advanced Placement (AP) classes are the most rigorous courses offered at the high school level. College-level work will be assigned and expected of students enrolled. No requests for schedule changes or AP class drops will be honored after March 1, 2024. Paying for and taking the AP exam is a requirement for each AP course.**

I have reviewed the above course selections for the 2024-2025 school year. I approve the courses my child has requested and understand that there are NO schedule changes after March 1, 2024, even if my child changes his/her mind about a course. I understand that my child cannot drop an Honors or AP course once scheduled and paying/taking the AP exam is a requirement for AP courses.
