What is Global Minds? (x)

It's a national organization where we, at JC, host a tutoring service for the EL department and help them out with conversational English. We aim to inspire cross-cultural relationships. You also get service hours!

Are you ready to join?

YES!

OF COURSE!

What we plan to do this year...

- Meet and help out a new EL friend with our tutoring service (and earn service hours)
- Host cultural potlucks with lots of food
- Participate or judge in our annual Global Minds competition
