

#### 4.8.17 Personal Devices

Madison City Schools promotes a 1:1 Initiative. As such, a wireless network is provided for cellular devices and guest use only. School-issued devices will authenticate to the network automatically. All personal cellular devices should utilize the guest wireless network. [Students may not access the network using their personal Wireless Communication Devices, except for use permitted under Section 6.20 of these policies and applicable provisions of the Code of Student Conduct.](#)
