The Expanded Day Program is designed to address the child's social, physical, and intellectual needs. The program is structured but allows children the freedom to choose from and to participate in a variety of enjoyable activities. Hours of operation are 2:40 p.m. - 6:00 p.m.

A typical day includes:

2:40 – 3:00 Roll call, restroom, wash hands, water, snacks

3:00 – 4:30 Variety of planned activities which includes homework time if needed

4:30 – 6:00 Supervised play

To be enrolled in the Expanded Day program, registration paperwork, a \$55.00 non-refundable registration/activity payment, and the first week's tuition must be delivered to the school before the child can attend. If the program is full, the child will be placed on a waiting list. If placed on a waiting list, payments will not be due until the parent is contacted by an extended day employee and a start date is scheduled for the child / children to attend the program.

IF NOT PAID, THE CHILD(REN) WILL NOT BE RE-ADMITTED UNTIL ALL DELINQUENT PAYMENTS ARE PAID IN FULL. A \$55.00 registration payment will be required upon re-enrollment.

PICK-UP PROCEDURES

Your child may not leave school premises until he/she has been signed out by a responsible adult authorized on the registration form. In an emergency, a parent will be contacted for authorization. Parents should provide a note, e-mail, or call to the Expanded Day Director if pickup procedures for their child changes. Children will not be released by Expanded Day to other adults without a written note, e-mail or a phone conversation between the parent and the Expanded Day Director, unless the other adult is on the approved pickup list.

HEALTH AND SAFETY

If a child becomes ill or injured while at school, he/she will be isolated and parents will be notified of the situation as soon as possible. Emergency phone numbers must be current to ensure immediate notification. Information concerning allergies or health restrictions must be on file, along with a physician's name and telephone number. Children must wear shoes and appropriate clothing to the Expanded Day Program.

HOMEWORK

Children in grades kindergarten through fifth will be provided a quiet, supervised setting in which to do homework. Children are responsible for bringing all books, materials, and assignments to the homework area when Expanded Day begins. They are not allowed to return to the classroom after their classroom teacher's dismissal. The Expanded Day Staff is not responsible for checking with the teacher about assignments nor supplying paper, pencils, books, etc. Parents should always double check homework on a daily basis to ensure the completion of all assignments and check the accuracy of the completed assignments. If parents do not wish for their child to complete or work on homework at school, a note should be sent to the Expanded Day Director.

SNACKS

A snack will be served each afternoon. Please notify the Expanded Day Director if your child has a food allergy or a dietary restriction.

SCHEDULE

The Expanded Day Program will follow the schedule of the school. If schools are closed due to holidays, inclement weather, or other reasons, the Expanded Day Program will not offer services and payments will not be charged for days the program is closed.

The Expanded Day Program will not operate during the afternoons designated as a Collaborative Day for teachers.

SEVERE WEATHER

Expanded Day Program will use the same guidelines for severe weather followed during the school day. If school is dismissed early due to severe weather, Expanded Day parents will be notified and arrangements should be made to pick up your children as soon as possible. Expanded Day children not picked up early when severe weather threatens will stay at school in a designated safe area with the Expanded Day staff and a school administrator until pickup can be arranged. Designated areas that provide the most protection will be used in a severe weather warning. Weather conditions will be monitored on weather alert radios in the school office and in the Expanded Day area. If a warning is issued, all students and Expanded Day staff members will move immediately to the designated safe areas. Fire and severe weather drills will be practiced each month by the Expanded Day staff and children.

IN THE EVENT OF AN EMERGENCY/LATE PICKUP, PARENTS ARE TO CONTACT THE EXPANDED DAY DIRECTOR /STAFF. AFTER 6:00 P.M., A LATE CHARGE OF \$1.00 PER MINUTE PER CHILD WILL BE CHARGED.

DISCIPLINE

It is the goal of Madison Elementary School's Expanded Day Program to provide students with a safe, enjoyable, and productive after school experience. In order to maintain a positive environment, proper discipline must be maintained.

Students in Expanded Day will be disciplined for the following infractions:

- 1) Being defiant to a staff member or teacher.
- 2) Causing bodily harm to another child, staff member or teacher.
- 3) Use of inappropriate language.
- 4) Any other behavior listed in the school system code of conduct handbook.

Consequences for violations of the rules are as follows:

- **First offense:** The student will be written up and disciplined as staff deems necessary. The offense will be discussed with the parents and they will sign the discipline form.
- **Second offense:** The student will be written up and sent to the extended day director or the teacher in charge. If possible, an administrator will speak with the student. The parent will be called and will sign the discipline form.
- **Third offense:** The student will be written up and sent to the Expanded Day Director or teacher in charge. The director/teacher will contact the parents to pick the child up from the program immediately. The director will contact an administrator and the student will be dismissed from Expanded Day. The director and administration will determine when or if the student may return.

Due to the nature of any offense, the consequence may result in an immediate removal of the student following a meeting with an administrator / Expanded Day director. In addition, the order of consequence may vary based on the nature of the offense.

Thank you for helping us to maintain a safe and positive after school environment for our students.
