

YOU'RE INVITED TO A Book Release Party!

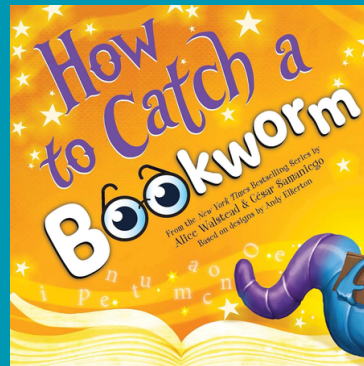

HORIZON LIBRARY MEDIA CENTER

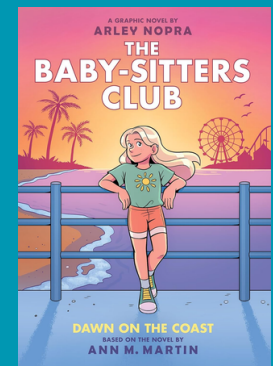

**February
10th**

**March
31st**

**April
7th**

**April
21st**

The Horizon Library is excited to host special book release parties during the school day to celebrate newly released titles and spark excitement about reading! Students who preorder the featured book will be invited to attend a release party filled with book-themed activities and a special treat while learning more about the new title and other books in the series.

Families may preorder books through **Blue Apple Books**, a local bookstore in downtown Madison. We are excited to support this local business! Preordered books will be delivered directly to Horizon on the day of the celebration. The deadline to order is one week prior to the party date(s). Registration is required to attend a book release party using the QR code on this flyer. Families are asked to select no more than two release parties.

We look forward to celebrating new stories and the joy of reading with our Horizon students!
