

## Science Fair Information

Dear Students and Parents:

Liberty Middle School's science fair will be held Monday, January 30, 2023 in the media center at Liberty Middle School. Projects are due by 8:10 am for judging and can be completed by anyone in 6th through 8th grade. Winners will be announced during afternoon announcements. Projects must be taken home the same day to prevent damage.

Winners will move on to the Regional science fair at UAH on March 1, 2023. Students must register for the science fair by Jan. 21st on the Scienceteer webpage. (See link below) Registration opens on Jan. 20. Please click on the link below and follow the prompts to register for the science fair and read the information for directions.

**[Student Registration](#)** - click here and register by Jan. 21, 2023 for our fair. This will also register you for the regional science fair...NARSEF.
