# **bj** Bob Jones High School ENGINEERING

Questions?

**Mrs. Jessye Gaines**

jggaines@madisoncity.k12.al.us

**Mr. Jonathan Bailey**

jbailey@madisoncity.k12.al.us

## FOUNDATION COURSES

### **Introduction to Engineering Design**

560015

- \*One Credit
- \*Required to take Internship course

### **Principles of Engineering**

560016

- \*One Credit
- \*Honors Credit
- \*Required to take Internship course

## INTERNSHIP

### **Career Pathway Project in STEM (Engineering Internship Course)**

560014

- \*TWO Credit
- \*Honors Credit
- \*Seniors only
- \*Prerequisites: Introduction to Engineering Design and Principles of Engineering

## OPTIONAL SPECIALIZATION COURSES

### **Civil Engineering & Architecture**

560020

- \*One Credit
- \*Honors Credit
- \*NOT Required to take Internship course

### **Computer Integrated Manufacturing**

560021

- \*One Credit
- \*Honors Credit
- \*NOT Required to take Internship course

### **Advanced Manufacturing and Machining**

560118

- \*One Credit
- \*Honors Credit
- \*NOT Required to take Internship course

**Additional Engineering Courses Available to BJHS Students at James Clemens High School**  
Aerospace Engineering  
Digital Electronics
