

LMS Band Handbook

2025-2026 School Year

Dear LMS Band Students and Parents,

Welcome to a new and exciting year of music at Liberty Middle School. The Liberty Band Program consists of four large ensembles: the Beginner Band, the Intermediate Band, the Concert Band, and the Symphonic Band. Our program also includes the Pep Band, a Percussion Ensemble, and a Jazz Band. Our bands perform at a variety of civic and scholastic events and compete at district, state and national competitions. Our main goal at Liberty is to provide the band students with meaningful and challenging instruction that will lead to fun, exciting and rewarding musical experiences.

All performing ensembles will have at least three concerts during the school year: our Winter Concert before the holiday break, our Dessert Concert in the early Spring, and our final concert in May before the end of the school year. These dates and venues will be available as soon as possible. The LMS Pep Band, made up of all students with at least one year of playing experience, will perform at multiple LMS football games during the Fall. This is a fun opportunity to play some non-traditional band music and to experience what band is like in high school. The Concert Band and the Symphonic Band will also perform at our state Music Performance Assessment in early Spring. Students will have the opportunity to participate in Solo and Ensemble and District and All State auditions. We will have more information about the dates, places and the requirements of these festivals as they become available.

This Spring, the Intermediate, Concert, and Symphonic Bands will have the opportunity to travel out of state for a competition. More information regarding the trip will be available soon.

We are always interested in meeting the parents of our students. The LMS Band Boosters is a parent organization that supports the band by providing fundraising, chaperoning, and logistical assistance. The Boosters meet once each 9-weeks in the LMS Band Room. Parents of students in all ensembles are encouraged to attend. The dates for these meetings are published on the yearly event calendar. If you would like a private meeting or conference, please call or e-mail and make an appointment.

Again, welcome to the Liberty Middle School Band! We are looking forward to meeting everyone and making great music together.

Your Liberty Middle School Band Directors,

Mrs. Kayla Sims

4. Conduct and Behavior Standards for Events and Trips

It is a privilege to travel with the Band Program at Liberty Middle School. Band members are bound by a strict moral and behavioral code. This applies to behavior both in and out of school.

- Band members will conduct themselves in a manner that honorably represents their school, family, community, and themselves. Any behavior or infraction on the part of a band student that goes against the Madison City Schools Code of Conduct, or the LMS Band Handbook, is subject to discipline from school administration as well as the band directors.
- Guidelines may be established by the directors for event/competition attire. The band student must follow all established rules as outlined by the directors. Madison City Schools dress code applies to all events.
- When provided, a band student will ride to and from the band's events via school transportation/or chartered bus transportation. The student may be released only to his/her own parent/guardian. The exception to this is when written documentation from a band student's parent/guardian is provided, in advance, to the band directors giving permission for that student to be released into another parent/guardian's care.
- Unexcused absences from mandatory after school rehearsals will result in last chair or possible removal from the upcoming performance. *Unexcused absences from performances result in a **zero** in the gradebook. (See section 7 for additional details.)
- Drop-off and Pick-up times will be communicated to students and parents through CutTime and/or ParentSquare. All students should be picked up by a parent or guardian within 15 minutes of the posted time. Any student who is not picked up by 30 minutes past the posted pick-up time may be removed from the next band event.

7. Performances

Performances are activities in which the Liberty Middle School Programs are visible to the public. Each performance is a reflection on the students’ abilities, and is also a reflection on our school. Every effort will be made to ensure a high quality performance. Each performance will be graded as a participatory test grade. Each student is responsible for bringing his/her own instrument, music and any other materials necessary for each performance. Students must wear the assigned and complete performance attire for each performance.

All students are expected to participate in each scheduled performance for his/her band class. Absences will be excused on a case by case basis. Please inform Mrs. Sims and Mr. Curtis as soon as possible if a student must miss a scheduled performance. If an absence is excused, an alternate assignment will make up the grade for the missed performance. **Unexcused absences from performances will result in a test grade of “0”**

Students who participate with other Liberty organizations may (upon approval) be excused for conflicting games, trips, or performances only. Practices, meetings, and rehearsals are not excuses for missed band performances.
