- **When choosing ALL courses, find course descriptions and required prerequisites for each course in the course catalog.** Students will be removed from courses for which prerequisites are not fulfilled. All course requests must be entered online through PowerSchool. Visit the Bob Jones High School website under "Course Requests" for instructions.
- **Advanced Placement (AP) classes** are the most rigorous courses offered at the high school level. College-level work will be assigned and expected of students enrolled. Summer assignments may be required. **No requests for schedule changes or AP class drops will be honored after April 17th, 2026.** Paying for and taking the AP exam is a requirement for each AP course. Students hesitant to select their first AP course may consider selecting AVID as an elective to support their study skills while in AP courses.
