- **When choosing ALL courses, find course descriptions and required prerequisites for each course in the course catalog.** Students will be removed from courses for which prerequisites are not fulfilled. All course requests must be entered online through PowerSchool. Visit the Bob Jones High School website under "Course Requests" for directions.
- **Advanced Placement (AP) classes** are the most rigorous courses offered at the high school level. College-level work will be assigned and expected of students enrolled. Summer assignments may be required. **No requests for schedule changes or AP class drops will be honored after April 17, 2026.** Paying for and taking the AP exam is a requirement for each AP course. Students hesitant to select their first AP course may consider selecting AVID as an elective to support their study skills while in AP courses.

I have reviewed the course selections and completed the 4-year plan. I approve the courses my child has requested for the 2026-2027 school year and understand that there are NO schedule changes after April 17th, 2026 even if my child changes his/her mind about a course. I understand that my child cannot drop an Honors or AP course once scheduled.
