

# DUAL ENROLLMENT COURSE ALIGNMENT

The UA Early College Program staff wants to ensure that K-12 personnel are familiar with secondary and postsecondary course correlations. For this reason, UA Early College faculty/staff have consulted and outlined the following course parameters in order to further communication with statewide dual credit systems.

On September 13, 2018, the Alabama State Board of Education amended the Alabama Administrative Code, Rule No. 290-3-1-.02, pertaining to secondary course credit awarded for postsecondary coursework through dual enrollment. The revised rule now includes the following language: "Semester credit hours at the postsecondary level for high school courses specifically named as a requirement for graduation as outlined in AAC Rule 290-3-1-.02(8)(a) are determined according to guidelines established by the SDE."

UA Early College faculty and staff ensure that the following courses warrant the awarding of secondary credit for postsecondary/college-level coursework. In order for students' transcripts to accurately reflect approved dual enrollment course credit(s) earned at an Alabama four-year college or university, the following course codes have been added to the 2025-2026 Alabama State Department of Education Course Catalog:

Subject	High School Graduation Course(s)	Suggested State Course Code	UA Early College Course(s)		
Mathematics	<p><b>Mathematics 4</b></p> <p><i>Various prerequisite options for the courses listed</i></p>	22999C1006	MATH 100 MATH 110 MATH 112 MATH 113 MATH 115	MATH 121 MATH 125 MATH 126 MATH 227 MATH 238	ST 260
