#### **PICK-UP PROCEDURES**

A child may not leave the school premises until an adult listed on the registration form has signed him/her out. In any emergency, a parent will be contacted for authorization. Parents should provide a note or call the Summer Day Director if pick-up procedures for a child change. Children will be released only to adults listed on the registration card.

In the event of an emergency or late pick-up, parents are to contact the Summer Day Director. After 6:00 P.M., a late fee of \$1.00 per minute will be charged.

The Summer Day Program will follow the guidelines for severe weather that are followed during the school year. If severe weather occurs in the area, parents should monitor radio and television stations and arrange to pick-up their children as soon as possible.

#### **DISCIPLINE**

Discipline will be consistent and fair. Limits and rules will be explained to the children. No corporal punishment will be administered at any time.

If a child exhibits disruptive behavior, such as fighting, abusive language, disrespect or disobedience, it will be noted and the parent notified. Upon the second infraction, if circumstances warrant, the parent may be called to pick up the child. A conference will be arranged and a three-day suspension may be imposed. Additional offenses may result in

removal from the program. A child dismissed from the program will not be eligible for re-enrollment in the Summer Day Program, but may be eligible for enrollment in the local school's Extended Day Program. If a child's behavior endangers the safety of himself or others, the child may be dismissed from Summer Day Camp immediately and indefinitely (even upon first offense).

It is the goal of MCS Elementary School's Extended Day Program to provide students with a safe, enjoyable, and productive after school experience. In order to maintain a positive environment, proper discipline must be maintained.

Students in Extended Day/Summer Camp will be disciplined for the following infractions:

- 1) being defiant to a staff member or teacher
- 2) causing bodily harm to another child, staff member or teacher
- 3) use of inappropriate language
- 4) any other behavior listed in the school system code of conduct handbook

Consequences for violations of the rules are as follows:

First offense: The student will be written up and disciplined as staff deems necessary. The offense will be discussed with the parents and they will sign the discipline form.

Second offense: The student will be written up and sent to the extended day director or the teacher in charge. If possible, an administrator will speak with the student. The parent will be called and will sign the discipline form.

Third offense: The student will be written up and sent to the Extended Day Director or teacher in charge. The director/teacher will contact the parents to remove the student from the premises. The director will contact an administrator and the student will be dismissed from Extended Day. The director and administration will determine when or if the student may return.

Due to the nature of any offense, the consequence may result in an immediate removal of the student following a meeting with an administrator/Summer Camp director. In addition, the order of consequence may vary based on the nature of the offense.

Thank you for helping us to maintain a safe and positive after school environment for our students.
